"Long years may come and pass away,
But we shall still be true
To the banner of the O.F.A.
The flag of red and blue."

Foreword . . .

This *TOM TOM*, since it is the last to be edited in this Owego Free Academy, has special significance to everyone. Aptly, the theme is "Change From the Old to the New."

Although we regret leaving this scene of many pleasant memories, we are eagerly anticipating our arrival at the new high school. Those who are presently Juniors, Sophomores, and Freshmen will be able to enjoy their modern surroundings, but the Seniors have the singular honor of being the last class to be graduated from the present O.F.A.

In the thirty-second and final edition of this Owego Free Academy's *TOM TOM*, we bring you the last tangible mementos of high school years in the O.F.A.

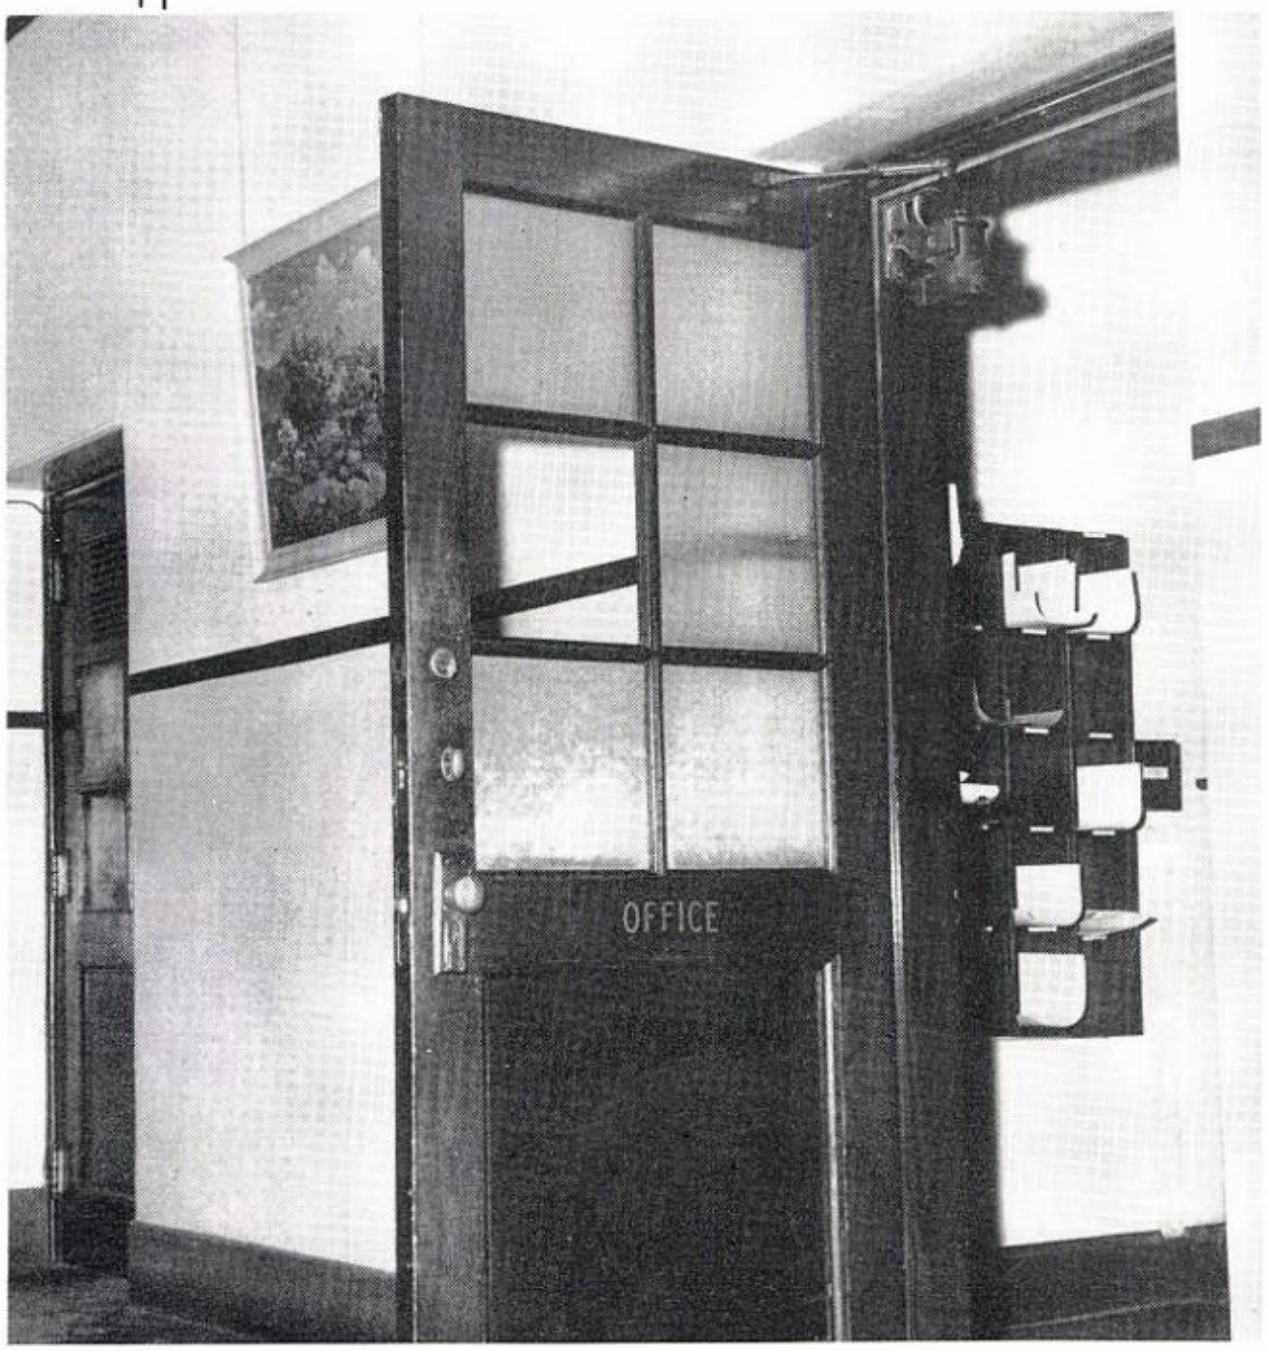
Dedication . . .

We, the staff of the *TOM TOM*, proudly take this opportunity to dedicate the yearbook of 1958 to our school, the Owego Free Academy.

In doing this, it is our intention to leave behind us some recognition of our appreciation and some moments of remembrance.

Although this building has now fulfilled its role as a high school, a duty which began 34 years ago, it must now give way to the new. We, who have roamed its halls and profited by our years of experiences here, will forever cherish the memories it has given us.

Administration



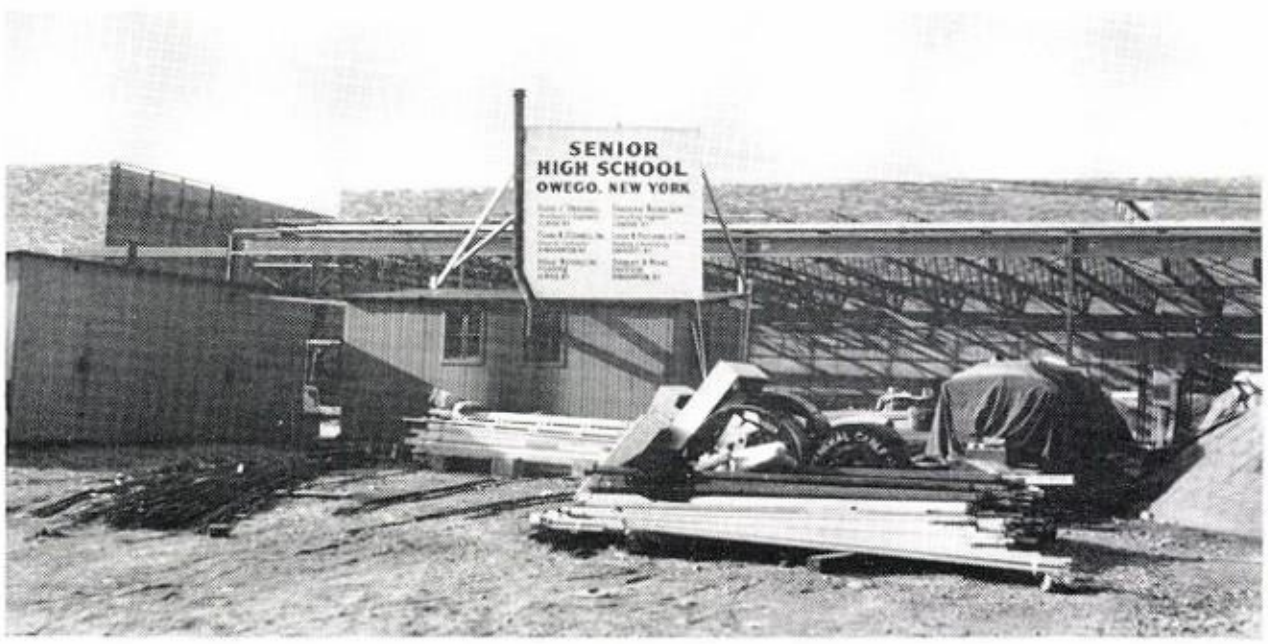
On the first day of school in the new building in 1924, the students, as usual, went to Central School where they had been going half sessions while the new school was being built. Led by the band, the students marched down to the new building, cheered by the crowds along the way. Since this time the office hasn't really changed at all. Its staff always tries to do the best by the parent, teacher, and the student.

Board of Education

Seated, left to right: Orville B. Shafer, LaVerne M. Brister, George Pringle, Harold Newcomb, President.

Standing: Keith Famulener, Gerald Tubaugh, Lennart Erikson.

The Board of Education had a very full year. The Apalachin Elementary School was completed and put into operation last September; Washington Gladden Elementary School was opened in February; Owego Central School is being renovated. These needed advances are due to our progressive and farsighted Board of Education.



★

Progress is being made on our new High School building which will be ready for fall occupancy.

★

Some thirty years ago the present high school, Owego Free Academy, was built. Now, a short distance away, a new high school takes shape. Together, they are symbolic of your 1958 *TOM TOM*.

However, neither the old nor the new has real significance without that human factor of which you, the youth of this area, are representative. In effect, these buildings help bridge the gap between one generation and the next.

This, then, is your task, to take from the old those enduring qualities that will make the new, wherever or whatever it may be, purposeful and useful to yourself and others.

Board and Staff congratulate you on a fine record and wish you well in future years.

Sincerely yours,

Sheldon E. Guile

The Old and the New

We are planning to move into a new high school before another year begins. Students, as well as faculty, are looking forward to this transition. Educationally there will be many changes and improvements over our present situation. We shall find ourselves in larger and more pleasant surroundings with rooms equipped with more modern facilities, an auditorium of which we shall be exceptionally proud, and a gymnasium with sliding doors so it can be used by boys and girls at the same time. These are but a few of the improvements and changes. However, let me advise you no matter how great the improvement in building structure is, scholarship will not improve on your part unless you take advantage of the opportunities provided. In moving from the old to the new, let us not stay as we are, but let all of us improve, too.

This is an opportunity; don't pass it by. Success is not determined by our surroundings; it is merely a factor.

Mrs. Irene Harders, always ready to give help from the office, assists Literary Editor Vickie Bingham locate a student schedule card.

The FACULTY

The faculty can really be compared to parents. Actually they know what is best for each child, but it is rarely that the young admit it. They are constantly making sacrifices so our school life might be complete, both in scholastic and extra-curricular activities.

Helpful Members of our School Staff

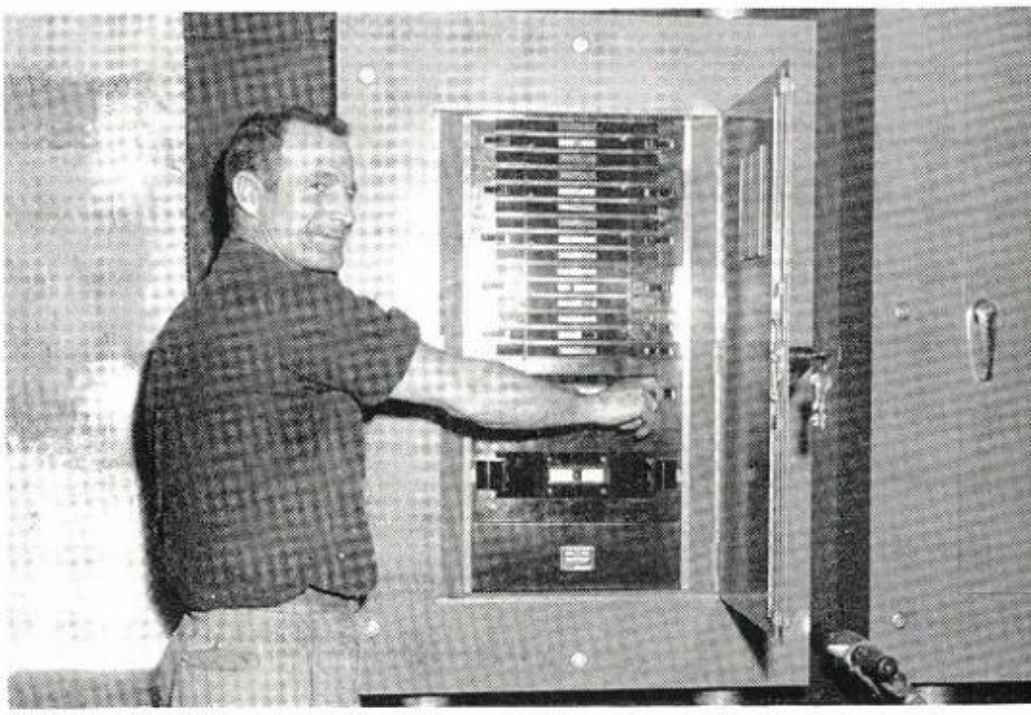
★

THE OFFICE STAFF

In the main office of Owego Free Academy you will find Mrs. Harders and Mrs. Steele who carry the heavy burden of keeping the office running efficiently and answering the many requests of the students. Despite these interruptions in their work, they are always ready and willing to be of service.

THE CAFETERIA STAFF

Our appetites are satisfied at noon-time by tasty lunches prepared in the Cafeteria by Mrs. Francis Hughes, assisted by Mrs. Gloria Henson.



THE MAINTENANCE STAFF

The fall brings leaves; winter, the snow, and spring, mud. All of these are tracked in throughout O.F.A. Scraps of paper, broken pencils, spilled ink and milk; all are taken care of as part of the day's work by the building custodians, "Pete" Ford, Louis Anderson, and George Forsythe.

Top to bottom: Mrs. Steele, Mrs. Hughes and Mrs. Henson, Donald Ford, George Forsythe.

FACULTY AT LEISURE

Mrs. Nichols and Mrs. Turner try a hand at language without rules with finger paint at the Art workshop for teachers held in March.

Mrs. Spencer and Miss Pfistner relax in the teachers' room?

Mr. Vance and Mr. Stimik talk it over through the horse . . . familiar meeting place.

Autograph seakers descend upon Mr. Valvo on Tom Tom Day 1957.

A bold approach to finger painting is taken by shop teacher, Mr. Bethel, at the Art Workshop.

Mr. Guile brings in the wheaties to give strength to the Faculty team as they are about to play the Varsity Club.

Classes

For all its cracked plaster, battered desks, and torn window shades, study hall will be missed a great deal by all. No longer will the high school student gaze at the paintings on the wall, the same ones that have been there for years and years; the seemingly slow moving clock, or even the bulletin board. No more will seniors call it their "home" or underclassmen their goal.

SENIOR CLASS OFFICERS

Front row, left to right: C. Lounsberry, Treasurer; J. Milks, Vice-president; S. Emerson, Student Council Rep.; J. Walker, Student Council Rep.; J. Deuel, Student Council Rep.; S. Fox, Secretary; B. DeWitt, Student Council Rep.; Mrs. Hansen, Advisor; Mr. Jackson, Advisor.

SENIOR CLASS

The Senior Class have reached the final plateau and are now looking forward to graduation and the future.

The class of '58 can be proud of their accomplishments. They were the first group to have a Sophomore flower day and a cocoa-hour for visiting teams. Holding a winter prom and changing the style of the school ring are also among the list of "firsts."

Fond memories include the Crystal Ball when Sandy Fox reigned as queen from her throne in a beautiful silver sleigh.

However, this class will be the last one to be graduated from this Owego Free Academy. The Seniors would like to think that their many activities have had something to do with tiring out this old building which will always remain the Alma Mater for '58.

Dear Classmates,

This is the end of high school for both this building and us. We have had four wonderful years together, and are very proud to be its last graduating class.

May I thank you all for the fine cooperation you have given me. It has been a great honor and most certainly a privilege to serve as your president.

Lastly, I wish each one of you success, happiness, and His blessings always.

Sincerely yours,

JUNIOR CLASS

As in past years, the Juniors have had a busy year planning the Prom and undertaking projects to finance it. "Stardust" was selected as the theme for the Prom and Walt Brittain's orchestra was engaged for the big night scheduled early in May.

Some of the projects to which the Juniors devoted their time and energy were dances, tagdays, bakesales, and a bottle drive. A number of Juniors put in a lot of hard but enjoyable work shining shoes around school to help raise money for the Prom. The class also sold "school-day memory" books which were a novelty to the students and helped enlarge the treasury.

SOPHOMORE CLASS

The Sophomores, looking ahead to their Junior year, have been engaged in activities to earn money for the expenses that are synonymous with proms.

Several successful dances were held during the winter season. In the early part of the year they held a flower day when they sold carnations and roses. These projects readily made a profit for them.

The class have also been active in the athletic field. Many Sophomore boys were on the J.V.'s and became some of the outstanding players. Also, the Sophomore girls were active in volleyball and basketball and a few became cheerleaders.

FRESHMAN CLASS OFFICERS

Left to right: D. Russell, President; L. Neira, Vice President; B. Westbrook, Student Council Representative; Mr. Kelley, Advisor; B. Bean, Student Council Representative; K. Wright, Secretary; C. Brill, Treasurer.

FRESHMAN CLASS

The Freshmen have played an active part in school life this year. With their advisor, Mr. Kelly, President Dave Russell and his able assistants, Vice President Louie Niera, Secretary Kathy Wright, Treasurer Carol Brill, and Student Council representatives Bev Westbrook and Barb Bean, they have put their finances on a very sound basis. Among other things, they have held two dances, one called "Rim Rhythm" and the other co-sponsored by the Juniors. A class bake sale also proved a success.

The Freshmen stood up well under the strains of initiation which proved them to be endowed with a sense of humor and sportsmanship. With such attributes, these Freshmen will certainly prosper in their new environment.

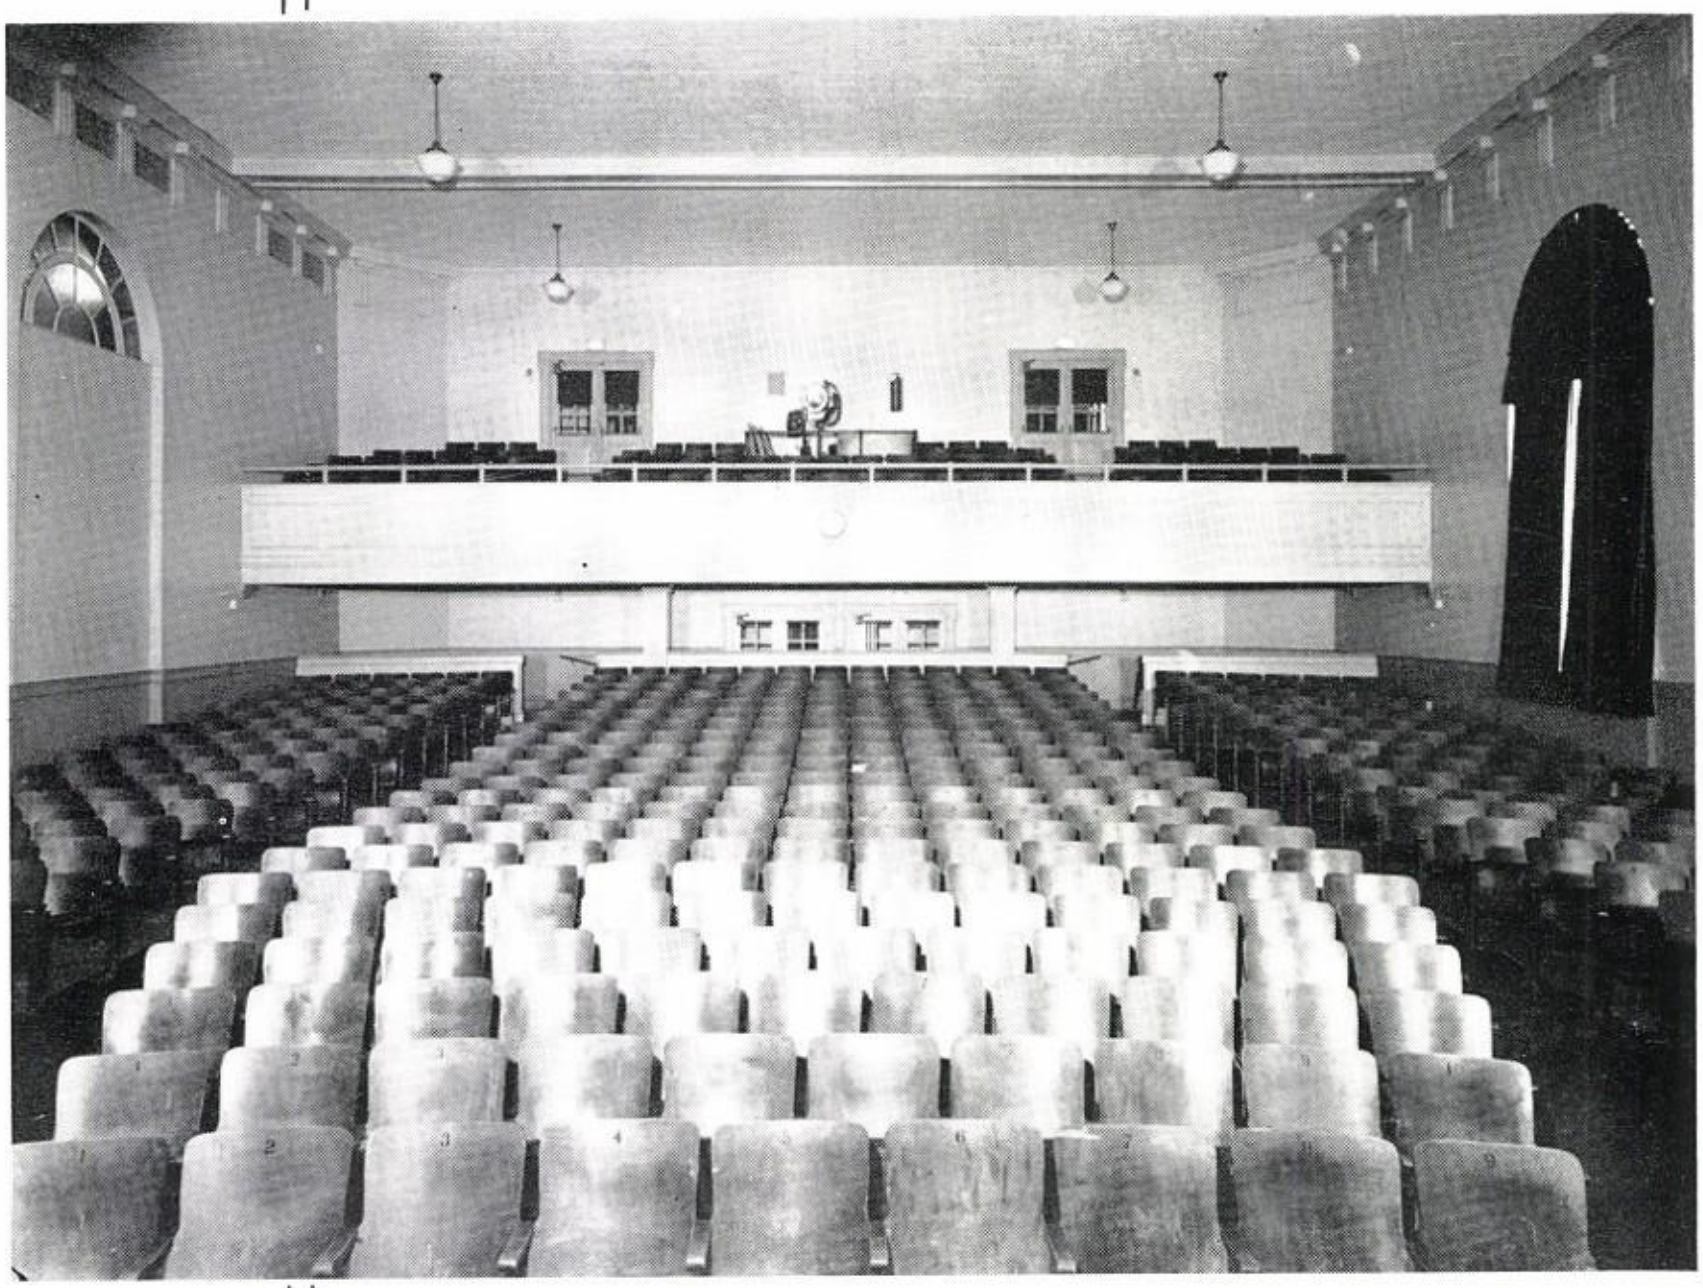
Activities



This auditorium has certainly played an important part in the students school life. Here, as seventh graders, they met for the first time in O.F.A. assemblies, pep rallies, concerts, both band and choral, and of course the Senior Play, were all played here. No longer will the Senior Class give its "all" across the footlights or receive that aim of everyone, the coveted high school diploma, on this stage.

MUSICAL ORGANIZATIONS

BAND

It has been a busy year for the young musicians who, under the leadership of Roger Keagle, presented the annual Band Concert and performed in the Christmas Concert also. The Concert Band participated in the State Festival and some band members took part in all-county and state bands.

DANCE BAND

Now in its third successful year, the Dance Band has already played for several school-sponsored dances. In the Annual Student Council Talent Show, first prize was awarded to this group.

MAJORETTES

In all kinds of weather the majorettes, with their bright flags and sparkling batons, can be seen proudly marching in front of O.F.A.'s band.

ORCHESTRA

The orchestra, this year under the direction of Richard Millitch, was heard at the annual Band Concert and the Senior Play. In March, many of the members took part in the all-county orchestra.

VOCAL MUSIC

Under the direction of John J. Davye, now in his second year of teaching in Owego, the Vocal Music Department, consisting of Concert Chorus, Boys', Girls', Mixed, and Junior-High Choruses, has presented the Thanksgiving, Christmas, and Spring Concerts. Some vocalists participated in the State Festival. Concert Chorus has been very active throughout the year, singing for various church and civic organizations.

SENIOR PLAY

"Seven Sisters," a three-act comedy adapted by Edith Ellis, is the story of a widow, Mrs. Gryurhovics, and her seven daughters, ages 12 to 22.

Mitzi, the "middle sister," decides it is high time that her older sisters are married. With the help of the dashing lieutenant, Ferenz Harkoy, Mitzi finally accomplishes her aim. Not before, however, she gets everyone in the family into "the act".

The spontaneous laughter of the audience indicated their enjoyment of a play capably directed by Mrs. Wilbur and Mr. Jackson.

The National Honor Society, a high school organization, gives recognition to outstanding students on the basis of scholarship, leadership, service, and character. It encourages the development of these qualities in students; it creates an enthusiasm within a student to strive for high marks, to render service to the school and community, and to develop as an individual. This society identifies the potential leaders for school and country.

Omego Phi Alpha began the year with 14 members. In November 1957, ten students were inducted, and in March ten additional students became Honor Society members.

Row three: T. E. Babcock, L. Howe, A. Wetterling, G. Hyde, B. Byrd.

The Machinist Club is composed of members of the Advanced Machine Shop class. Through film aids, visits to local shops, and much practice in close tolerance work, the boys in this club are obtaining an adequate background in the operation of complex machines. Graduates of this club are definitely accomplished machinists.

Newark Valley Game at Marvin Park

VARSITY BASKETBALL

The Varsity compiled a disappointing 9-9 record and finished in a second place tie with Elmira Heights in the Southern Counties League. One bright spot during the season, however, was capturing the lion trophy from Waverly. Prospects for next year's team are bright as it will lose only three men through graduation.

The Junior Varsity again finished in first place in the Southern Counties League by winning seven out of eight league games.

VARSITY CLUB

The Varsity Club once again lost its annual Varsity-Faculty game to the superior Faculty team. Composed of all the boys who have won a letter in a competitive sport at Owego Free Academy, the Varsity Club, headed by Mr. Valvo, uses the proceeds from this game to provide its members with letters and the sweaters for seniors.

TRACK

With only a few returning lettermen, the track team under Coach Valvo turned in a respectable record. In the Southern Counties Meet, Owego placed third and in the dual meets had a record of three wins and two losses. Two members of the team, Bob Leonard and Lee Sibley, reached the Section IV A Finals.

GIRLS' BOWLING CLUB

Having learned the finer points of bowling, such as how to get the ball to go down the right alley, many girls spent Monday and Tuesday nights after school at the Elks Bowling Alleys.

Top bowlers were Nancy Parmerton, Elizabeth Ferguson, Janet Klossner, and Sylvia Parker.

The core of the O.F.A. girls enthusiasm for sports is the G.A.A. These girls strive to make athletics pleasant and enjoyable for everyone. By awarding letters to girls who have excelled in the many activities, many girls are induced to join the competition in basketball, volleyball, bowling, and in play days with area schools.

CHEERLEADERS

The football, varsity basketball, and the new J.V. basketball squad of cheerleaders have been busy all year, making improvements in uniforms, cheers, and increasing school spirit with pep rallies and colorful posters. A number of cheerleaders, also, attended a cheerleaders' clinic to gain a better understanding of cheerleading.

AGE OF
ADVANCING TECHNOLOGY

Today, more than ever before, events point toward the need of scientific and engineering training. Exciting new fields of technology are constantly being unveiled which stimulate the imagination and ingenuity of those who have prepared themselves for this type of career. A wide horizon of increasing opportunity lies ahead for our nation's youth in science and engineering.

To assure that all students with scientific potential are better qualified to grasp this opportunity, every reasonable emphasis should be placed on the basic scientific and mathematical courses during the early years of schooling. This will provide a solid foundation for a future profession of challenge, security and service to society and the nation.
